## 2) Primary Means of Communication and Expectations

**Slack** for asynchronous communication. Each person is expected to respond within 24 hours.

**Zoom** for synchronous meetings.

## 3) Scheduling Meetings:

Internal Meeting Time: **Sundays 3-4pm**

Meeting with Mentor TA: **Tuesday 1 pm**, as per TA

## 4) General Responsibilities for All Team Members:

- Be **responsive** (i.e., respond to slack if needed as given above)
  - Teammates are expected to respond to Slack within 24 hours and are expected to attend Zoom meetings whenever possible.
- **Respect** others (be forgiving and supportive)
  - Everyone is deserving of respect and support. If any conflicts are to arise, then they are expected to be resolved in a peaceful and humane manner.
- Be **responsible** for tasks assigned; give complete effort and be accountable
  - Every individual should try to fulfill their tasks and responsibilities assigned to them. If they are struggling or cannot complete said tasks, then they should communicate with the team.

## 5) Conflict Resolution

Affected parties who cannot or refuse to resolve a conflict among themselves can go to the **Team Lead** or **Manager(s)** to mediate the conflict, who will decide on the preferred method of communication (i.e. Zoom call or Slack channel). Conflicts will **always be kept private** among the affected parties.

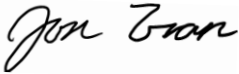

## 6) Expectations of Faculty and GTA's

If a team member fails to live up to this agreement, the situation may be reported to the staff, but the team will still be responsible for submitting a completed assignment. Staff will be available to meet with teams to resolve issues.

## 7) Team Signatures

Individual Signature:

Date:10/16/2021

A handwritten signature in black ink, appearing to read "Jon Zoran". The signature is written in a cursive, flowing style.
