2) Primary Means of Communication and Expectations

Slack for asynchronous communication. Each person is expected to respond within 24 hours.

Zoom for synchronous meetings.

3) Scheduling Meetings:

Internal Meeting Time: **Sundays 3-4pm**
Meeting with Mentor TA: **Tuesday 1 pm,** as per TA

4) General Responsibilities for All Team Members:

- Be **responsive** (i.e., respond to slack if needed as given above)
    - Teammates are expected to respond to Slack within 24 hours and are expected to attend Zoom meetings whenever possible.
- **Respect** others (be forgiving and supportive)
    - Everyone is deserving of respect and support. If any conflicts are to arise, then they are expected to be resolved in a peaceful and humane manner.
- Be **responsible** for tasks assigned; give complete effort and be accountable
    - Every individual should try to fulfill their tasks and responsibilities assigned to them. If they are struggling or cannot complete said tasks, then they should communicate with the team.

5) Conflict Resolution

Affected parties who cannot or refuse to resolve a conflict among themselves can go to the **Team Lead** or **Manager(s)** to mediate the conflict, who will decide on the preferred method of communication (i.e. Zoom call or Slack channel). Conflicts will **always be kept private** among the affected parties.

6) Expectations of Faculty and GTA's

        If a team member fails to live up to this agreement, the situation may be reported to the staff, but the team will still be responsible for submitting a completed assignment. Staff will be available to meet with teams to resolve issues.

7) Team Signatures
